Rooster tableware

This hand decorated country Rooster collection from **Polie Pottery** (Top Drawer, Stand L81) is designed to create a cosy farmhouse atmosphere at home in an instant. Its neutral cream and brown colours work well to enhance interiors and food presented on Rooster dishes. Like all tableware from Polie Pottery, this new collection is hand sponged by artisans in Poland with a traditional technique but it lives up to modern day expectations. Dishwasher, microwave, oven and Aga safe. RRP from £9.95. Visit: www.poliepottery.co.uk t: 0800 612 8096

Simply inspirational

Beautiful in their simplicity, **Tara Inspirations** (Top Drawer Stand B25a), will be unveiling its new collections of design led greeting cards. The contemporary designs are a stunning combination of simple graphics with vibrant colours and are printed onto gorgeous textured boards. Cards are hand finished with crystals and supplied cello wrapped with matching envelopes. The ranges cover birthdays, ages, general occasions, Diwali and Christmas. Distinctively different

Owen Barry (Top Drawer Stand Q60) is a producer of beautiful leather and suede handbags and accessories. From relaxed unstructured styling to cutting edge fashion, the Owen Barry range offers over 50 designs that are constantly being updated, ensuring they are always on trend and distinctively different. Each bag is lovingly cut and made in Somerset by British craftsmen, using the finest British and European skins and hardware. For 2012, to coincide with the launch of their new website and brand image, Owen is offering over 20 of its best selling styles in popular and on trend skins as ready to order stock. Passionate about design

New to the design led gift and fashion sectors is **Nicky James** (Top Drawer Stand P93) a beautifully illustrated range of handbags, accessories and kitchen textiles. The brand was launched six months ago and has been a great success with buyers attracted by its fresh, innovative designs and high quality product range. The collection encompasses a range of bags from cute satchels to smart travel bags, all finished with leather details and printed on 100% cotton canvas to show off the striking prints. Nicky James is passionate about creating fresh, beautiful textile designs combined with practical and stylish products. Visit: www.nickyjames.co.uk t: 020 7613 4616
